Additional Information

¹Scheme responsible for the protection of your eligible deposit

Your eligible deposit is covered by a statutory Deposit Guarantee Scheme. If insolvency of your bank, building society or credit union should occur, your eligible deposits would be repaid up to £120,000 by the Deposit Guarantee Scheme.

²General limit of protection

If a covered deposit is unavailable because a bank, building society or credit union is unable to meet its financial obligations, depositors are repaid by a Deposit Guarantee Scheme. This repayment covers a maximum of £120,000 per bank, building society or credit union. This means that all eligible deposits at the same bank, building society or credit union are added up in order to determine the coverage level.

If, for instance a depositor holds a savings account with £100,000 and a current account with £80,000, he or she will only be repaid £120,000.

In some cases eligible deposits which are categorised as 'temporary high balances' are protected above £120,000 for six months after the amount has been credited or from the moment when such eligible deposits become legally transferable. These are eligible deposits connected with certain events including:

- certain transactions relating to the depositor's current or prospective only or main residence or dwelling;
- a death, or the depositor's marriage or civil partnership, divorce, retirement, dismissal, redundancy or invalidity;
- the draft payment to the depositor of insurance benefits or compensation for criminal injuries or wrongful conviction.

More information can be obtained from www.fscs.org.uk.

³Reimbursement

The responsible Deposit Guarantee Scheme is the Financial Services Compensation Scheme, 10th Floor Beaufort House, 15 St Botolph Street, London, EC3A 7QU, Tel: 0800 678 1100 or 020 7741 4100, Email ICT@fscs.org.uk It will repay your eligible deposits (up to £120,000) within 20 working days until 31 December 2018; within 15 working days from 1 January 2019 until 31 December 2020; within 10 working days from 1 January 2021 to 31 December 2023; and within seven working days from 1 January 2024 onwards, save where specific exceptions apply.

Where the FSCS cannot make the repayable amount within seven working days, it will, from 1 June 2016 until 31 December 2023, ensure that you have access to an appropriate amount of your covered deposits to cover the cost of living (in the case of a depositor which is an individual) or to cover necessary business expenses or operating costs (in the case of a depositor which is not an individual or a large company) within five working days of a request.

If you have not been repaid within these deadlines you should contact the Deposit Guarantee Scheme since the time to claim reimbursement may be barred after a certain time limit. Further information can be obtained under www.fscs.org.uk.
